29 May 2018

Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Full Planning Permission Refused

Address:
**Spiritualist Temple
Rochester Square
London
NW1 9RY**

Proposal:

Retention of building with exception to demolition of single storey rear wing; refurbishment for continued community use (Class D1). Erection of two storey rear extension, plus basement, comprising 5 self-contained flats (Use Class C3) comprising 1 x studio and 4 x 2 bed, with associated cycle parking and landscaping including 4no. trees.

Drawing Nos: Supporting Documents: Design and Access Statement (Ref: 1606_[-]_PL_101); BS 5837 Arboricultural Report Impact Assessment & Method Statement (8th November 2017), prepared by Crown Consultancy; Surface water storage requirements for sites (ref: 6322417); Energy/Sustainability Statement (Issue 5 - 01st Dec 17); Letter (regarding planning obligations), dated 05/12/17, prepared by Robert Bloss; Basement Impact Assessment (Rev.C - 25.01.17 - Ground Movement Assessment), prepared by Symmetrys Limited; Daylight, Sunlight and Overshadowing to neighbouring properties and proposed accommodation (December 2017), prepared by BVP; Heritage Statement (December 2017), prepared by Built Heritage Consultancy; Planning Statement (December 2017) - Ref: 635-16.

The Council has considered your application and decided to **refuse** planning permission for the following reason(s):

Reason(s) for Refusal

- 1 The proposed development, by reason of the poor quality of outlook, light and required measures to ensure privacy for the proposed flats would cumulatively result in sub-standard residential accommodation and be harmful to the amenities of future occupiers contrary to Policy H6 (Housing choice and mix) of the London Borough of Camden Local Plan and Policy 3.5 of the London Plan 2016.
- 2 The proposed basement, by virtue of its excessive size would fail to be subordinate to the site and the garden and would therefore be harmful to the character and appearance of the Camden Square Conservation Area contrary to Policy A5 (Basements) of the London Borough of Camden Local Plan 2017.
- 3 The proposed development, by virtue of the loss of on-street parking, would exacerbate issues of parking stress within the Controlled Parking Zone and surrounding area and would fail to encourage sustainable modes of transport for the occupiers of the property, contrary to Policies T1 (Prioritising walking, cycling and public transport), T2 (Parking and car free development), and A1 (Managing the impact of development) of the Camden Local Plan 2017.
- 4 The replacement vegetation, including trees, by reason of location within the site and

proximity with the replacement building would be of insufficient visual amenity and longevity and therefore result in harm to the character and appearance of the site, the wider area and the character and appearance of the Camden Square Conservation Area, contrary to Policies A2 (Open space), A3 (Biodiversity) and A5 (Basements) of the London Borough of Camden Local Plan.

- 5 The proposed cycle parking provision, by reason of its size and layout would be insufficient for future occupiers of the residential flats, contrary to Policy T1 (Prioritising walking, cycling and public transport) of the Camden Local Plan 2017.
- 6 The proposed development, in the absence of a legal agreement securing an acceptable offer of affordable housing, would fail to maximise the contribution of the site to the supply of affordable housing in the borough, contrary to Policies H4 (Maximising the supply of affordable housing) and H5 (Protecting and improving affordable housing) of the London Borough of Camden Local Plan, policies 3.8, 3.10, 3.11 and 3.12 of the London Plan 2016 and paragraphs 47, 50 and 173 of the NPPF 2012.
- 7 The proposed development, in the absence of a legal agreement securing the development as 'car-free', would be likely to contribute unacceptably to parking congestion in the surrounding area and promote the use of non-sustainable modes of transport, contrary to policies T1 (Prioritising walking, cycling and public transport), T2 (Parking and Car Parking) and A1 (Managing the impact of development) and DM1 (Delivery and monitoring) of the London Borough of Camden Local Plan 2017.
- 8 The proposed development, in the absence of a legal agreement securing a construction and demolition management plan and an appropriate financial contribution towards implementation support, would be likely to give rise to conflicts with other road users and be detrimental to the amenities of the area generally, contrary to policies G1 (Delivery and location of growth), A1 (Managing the impact of development), T3 (Transport Infrastructure), T4 (Sustainable movement of goods and materials), DM1 (Delivery and monitoring), A4 (Noise and Vibration) and CC4 (Air quality) of the London Borough of Camden Local Plan 2017.
- 9 The proposed development, in the absence of a legal agreement securing necessary contributions towards highway works would fail to make provision to restore the public highway to an acceptable condition contrary to policy A1 (Managing the impact of development) of Camden Local Plan 2017.
- 10 The proposed development, in the absence of a legal agreement securing an 'Approval In Principle' (AIP) would be fail to demonstrate that the proposed development would not affect the stability of the public highway adjacent to the site, contrary to Policies A1 (Managing the impact of development), T3 (Transport Infrastructure) and DM1 (Delivery and monitoring) of the London Borough of Camden Local Plan 2017.
- 11 The proposed development, in the absence of a legal agreement securing an Energy Efficiency Plan including the measures set out in the Energy Strategy and an appropriate financial contribution towards decentralised energy, would fail to be sustainable in its use of resources, contrary to policies CC1 (Climate change

mitigation), CC2 (Adapting to climate change), CC4 (Air quality), C1 (Health and wellbeing) and DM1 (Delivery and monitoring) of the London Borough of Camden Local Plan 2017.

Informative(s):

- 1 Without prejudice to any future application or appeal, the applicant is advised that reasons for refusal No's 6, 7, 8, 9, 10 and 11 could be overcome by entering into a S106 legal agreement with the Council for a scheme that was in all other respects acceptable.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.

You can find advice about your rights of appeal at:
