We welcome the proposals in general as an enhancement of the building. We endorse the importance â recognized in the pre-app discussion â of maintaining the B1(a) use, and the scale of the building in its context.

We request that the exposed edges to the horizontal floor and roof slabs be painted, not black, but a dark grey. We advise that the black would over-emphasise the horizontals in the elevation as a whole. We are happy to advise on the colour choice in due course.
