Dear Ben Farrant

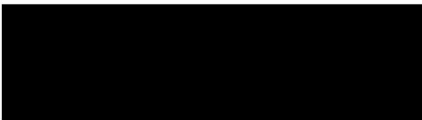

Re: 2018/2081/P – 7 Jeffreys Place NW1 – OBJECTION

I write to object to the proposals for an additional 3 bedroom flat on the roof of the premises above. The building is already completely out of scale with other buildings in this Conservation Area. It is also adjacent to the existing Grade II Listed buildings in Ivor Street.

The previous application was for a considerably smaller flat and this was refused by both Camden and subsequently by an independent Planning Inspector.

Please refuse this greedy application, which will cause harm to this area.

Yours sincerely

W Ralph Layland (Dr)
