It needs to be stated clearly that the lift block does “not have the benefit of planning consent”.</p> <p>? the revised application for the lift block should not again slip under the radar, and thus go before committee.</p> <p>? Ongoing issues of compliance and enforcement need to be addressed.Landscaping</p> <p>Comment. From 2013/2815/P and 2017/6779/P. 2017/6779/P seems expedient, but with scant regard for Beaufort Court residents and neighbours in Brassy Road. 2017/6779/P states it will comply only in part with 2013/2815/P. Without justification it seeks absolution from the general service area . Document submitted by post</p>
