2018/1614/P	Sanya Polescuk on behalf of Belsize Residents Association	21/05/2018 08:53:37	AMEND	Given the large size of the original building and the proposed extension compared to the size of the resulting garden, a permission for this proposal should be conditioned by the inclusion of green roof. This would also ensure that possible and unwelcome do use of the roof as a terrace would be prevented. This is in line with the Pre-application advice received.
