2018/2458/T	Benjamin Bullock	02/06/2018 15:35:35	AMEND	Previous submitted objection was in error. The tree in question is on the border of 27/29 Buckland Crescent, not 25/27 Buckland Crescent. No objection to proposed work
2018/2458/T	Benjamin Bullock	01/06/2018 18:10:19	OBJ	<p>Removal of this tree would affect the privacy of flats within 25 Buckland Crescent, especially Flats C and E. Given the main volume of the branches of the tree extend into the front garden of 25 Buckland Crescent, removal of this tree would dramatically change the garden, look of the building and also the privacy of front facing bedrooms during the summer. Views into these bedrooms are currently protected by the tree branches.</p> <p>[REDACTED]</p> <p>We also feel that the look and feel of Buckland Crescent benefits from trees such as this and removal of this tree would be detrimental to the area.</p> <p>We hope that an alternative can be found rather than removal of the tree.</p>
