Proposal	Erection of two storey extension above single storey rear northern annexe on Little Edward Street.
Objection	Yes
Observations	<p>ADVICE from The Regentâs Park Conservation Area Advisory Committee 12A Manley Street London NW1 8LT 14 May 2018</p> <p>St Georgeâs Cathedral Redhill Street LONDON NW1 4BG 2018/1277/P</p> <p>Erection of two storey extension above single storey rear northern annexe on Little Edward Street.</p> <p>Strong objection to this addition which would substantially harm the symmetrical balance of this important Listed Building, the work of James Pennethorne 1836-37. The proposed extension is clumsy in form and details, further harming the significance of the Listed Building which includes balanced massing of simplified antique forms.</p> <p>The proposals, by their scale, poor design and details, would also harm the character and appearance of the conservation area.</p> <p>Richard Simpson FSA Chair RPCAAC</p>
