Dear Sir,

I must write to fervently object to the re-siting of the grade II listed Hampstead Figure Sculpture to the rear of the Swiss Cottage pool on Adelaide Road. It was created in the year I was born to enhance and portray a specific relationship with the LIBRARY and the tiny bit of green space that we have in the area. This location will hardly show or set the sculpture and its intended relationship with the aforementioned library and Green Space .

Why not locate it front of the library where all library and gym users as well as passers by would see and appreciate it?

I must repeat my fervent objection to re-siting this sculpture to where it will be lost and unappreciated along the main road.

Yours Sincerely,
John OToole
