I OBJECT to the proposed relocation of the Swiss Cottage Library sculpture

The inspector for 100 AR mentions “repositioning with careful thought “ this is clearly not the case for your chosen new position is in an area that is not used as an space to relax and enjoy the artwork and is next to a busy road, who are your art advisors ?

The sculpture should be positioned on the slope at the end of the long pool feature, adjacent the theatre for all to enjoy and admire !

With regards,

NIGEL PEARCE
