Dear Mr Little

Re: Planning application ref:2018/1894/T.

On behalf of the Parsifal Road Association, we would like to point out that Parsifal Road is a Conservation Area and trees are generally protected. The Cherry tree at 16 Parsifal Road adds greatly to the streetscape and we would be sorry to lose it.

We would like to assured that there is sufficiently hard evidence to prove that this tree is primarily responsible for the alleged damage to 14's property. In addition, we note that the applicant had also indicated they will consider applying for the works/removal to the street tree outside and the ornamental grasses at 16 Parsifal road.

THIS WOULD HAVE A DEVASTATING AFFECT ON THE PARSIFAL ROAD STREESCAPE.

We would be obliged if this application be thoroughly investigated to protect unnecessary damage to the environment.

Thank you for your attention to this matter.

Yours sincerely

Rosalie Miles
