Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Request for Observations to Adjoining Borough - No objection

Address:

The Mills Centre and Pre-Prep School
5-7 Bishopswood Road
N6 4PP

Proposal:

Removal of railings and walls, new retaining dwarf walls and new railings

Drawing Nos: letter from LB Haringey ref HGY/2018/1224

The Council, as a neighbouring planning authority, has considered your request for observations on the application referred to above and hereby raises no objection.

Informative(s):

- 1 Reason for no objection-

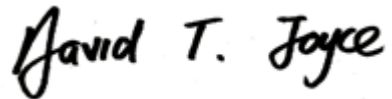

Given the scale and design of development and the significant distance from the Borough boundary along Hampstead Lane, it is considered that the proposal would not have any negative impact upon the character and appearance of the streetscene and conservation area within Camden nor upon the amenity of

Camden residents by virtue of noise, outlook, light or privacy. The proposed development would not necessitate any significant construction traffic which might impact upon Camden's highways network or cause harm to local residents.

On the basis of the submitted information, no objection is raised to the development.

Yours faithfully
