Dear Sir/Madam

Re: 17 NORTHWAYS PARADE, FINCHLEY ROAD, LONDON, NW3 5DP

WASTE COMMENT

Thames Water recommends the installation of a properly maintained fat trap on all catering establishments. We further recommend, in line with best practice for the disposal of Fats, Oils and Grease, the collection of waste oil by a contractor, particularly to recycle for the production of bio diesel. Failure to implement these recommendations may result in this and other properties suffering blocked drains, sewage flooding and pollution to local watercourses.

Yours faithfully
Development Planning Department
