Dear Sir/Madam

DECISION

Planning (Listed Building and Conservation Areas) Act 1990

Address:
67 Tottenham Court Road

The Council has considered your application and decided to grant Listed Building Consent subject to the following condition(s):

Conditions And Reasons:

- 1 The works hereby permitted shall be begun not later than the end of three years from the date of this consent.

Reason: In order to comply with the provisions of Section 18 of the Planning (Listed Buildings and Conservation Areas) Act 1990.

- 2 The development hereby permitted shall be carried out in accordance with the

following approved plans: Cover letter (25/04/2018); Planning, Heritage Design and Access Statement (April 2018); Site Location Plan; Projecting Sign Details; Fascia Sign Details; TCR67-Pret-01.

Reason: In order to safeguard the special architectural and historic interest of the building in accordance with the requirements of policy D2 of the Camden Local Plan 2017.

Reason: In order to safeguard the special architectural and historic interest of the building in accordance with the requirements of policy D2 of the Camden Local Plan 2017.

Informative(s):

- 1 Reason for granting permission:

The proposed internally illuminated fascia and projecting signs are replacing similar signage previously approved in 2014. Both signs are considered to be acceptable in terms of size, design, location and method of illumination. They would preserve the appearance and character of the host building, the conservation area and the streetscape, and would not harm the setting of host and adjacent listed buildings.

The site's planning history has been taken into account when making this decision

Special regard has been attached to the desirability of preserving the listed building and its features of special architectural or historic interest, under s.16 of the Planning (Listed Buildings and Conservation Areas) Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013.

As such, the proposal is in general accordance with policies D1 and D2 of the Camden Local Plan 2017. The proposed development also accords with the London Plan 2016 and the National Planning Policy Framework.
