2018/2226/T	rob small	04/06/2018 09:48:54	COMMNT	<p>Good morning, I am resident in Elm Village and I'm very pleased the various trees on the estate are being checked out. they were all planted when the estate was first built are some are now reaching maturity. Some of the planted trees were forest trees and not suitable for a central London estate and this is now becoming apparent! I would be interested tohear how this planning application progresses and I hope it's successful. In fact I would be very interested to see if it's possible to communicate and become involved in the managing of the trees on the estate with the council tree people you use? It would be interesting to know what species you will use to replace the ones removed. Many thanks Rob</p>
