6 June 2018

Dear Sir/Madam

DECISION

Planning (Listed Building and Conservation Areas) Act 1990

Listed Building Consent Refused

Address:
4th Floor Flat
31 Gloucester Avenue
London
NW1 7AU

Proposal:

Erection of a mansard roof extension with front dormer windows, formation of rear inset terrace with glass balustrading, replacement of existing rear door/balcony with new window and associated internal alterations.

Drawing Nos: 4079-00, 4079-01, 4079-02, 4079-03, 4079-04, 4079-05, 4079-06, 4079-07, 4079-08, 4079-09, Design & Access & Heritage Statement

The Council has considered your application and decided to **refuse** listed building consent for the following reason(s):

Reason(s) for Refusal

- 1 The proposed mansard roof extension and inset terrace area at the rear would, by reason of inappropriate height, position, bulk and detailed design, be a highly prominent and incongruous alteration to the roof form that would detract from the external appearance of the Grade II listed building and wider terrace and cause harm to its special character and architectural interest contrary to policy D2

(Heritage) of the Camden Local Plan (2017).

You can find advice about your rights of appeal at:
