2018/1516/P	Mayank Kalia	06/06/2018 20:36:57	OBJ	<p>I object to the effective 3rd floor extension and the addition of 2 more apartments, beyond the planning permission already in place for 5 apartments.</p> <p>The building/pub is already one of the tallest buildings on the road, and the Mansard roof extension - and associated height increase - would set a bad precedent for the road, paving the way for further height increases up and down the road.</p> <p>My concern stems from the impact on privacy of neighbours (like myself) from the addition of another floor and 4 additional windows (1 on the 2nd floor - taking the total to 4, and 3 new ones on the 3rd floor). Even without windows, the increased height and bulk of the mansard extension will negative impact the skyline, as visible from the other side of the road.</p>
