Dear Tessa Craig

RE: PLANNING APPLICATION NO 2017/4737/P - DELIVEROO

RE: DELIVEROO COMMUNITY MEETING 11 JUNE 2018

1. I wrote to you with my objections to the above Application by Deliveroo in November of last year.

2.1 I have picked up an information sheet sent out by an Abigail Morris who grandly styles herself "Head of Public Affairs" for Deliveroo.

2.2 This sheet gives notice of a public meeting as outlined above and also seeks to address the complaints made against Deliveroo and what they have done to remedy them.

3.1 Can you inform me as to the status of Deliveroo's Planning Application?

3.2 Are they still operating without Planning Permission?

3.3 If so - why have they not been closed down?

4. Is this self-styled "Community Meeting" a cynical ploy to pre-empt public concern before the Planning Application comes up for consideration?

I would appreciate your comments on the above.

Yours sincerely
Miriam Marcus
