Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Full Planning Permission Granted

Address:

Flat 2
277 Gray's Inn Road
London
WC1X 8QF

Proposal:

Installation of two timber framed double-glazed vertical sliding sash windows at second floor rear elevation.

Drawing Nos: Site location plan; 123.06C.

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise

specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy D1 and D2 of the London Borough of Camden Local Plan 2017.

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans; Site location plan; 123.06C.

Reason: For the avoidance of doubt and in the interest of proper planning.

Informative(s):

- 1 Reasons for granting permission.

The proposal seeks to form two new window openings on the rear elevation at second floor level. The proposal is considered acceptable and would not result in harm to the character and appearance of the host building and King Cross Conservation Area. This is by virtue of the size, siting, timber material and detailing.

Due to the distance of view to neighbouring windows, it is considered that the proposed window openings would not result in a significant amount of overlooking to neighbouring occupiers opposite. There would therefore be no harmful impact on the residential amenity of neighbouring occupiers

No comments have been received following a process of public consultation. The site's planning history was taken into account when coming to this decision.

Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the conservation area, under s.72 of the Planning (Listed Buildings and Conservation Areas) Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013.

The proposal is in general accordance with policies A1, D1 and D2 of the Camden Local Plan 2017 and accords with the London Plan 2016 and National Planning Policy Framework 2012.
