2018/1457/P	Janette Hamer	07/06/2018 18:03:09	INT	<p>I oppose to this planning application on the basis of the following grounds:</p> <p>(1) The demolition and construction of the building will cause damage to the foundations of Harvard Court, a Victorian mansion block.</p> <p>(2) The pile driving will potentially cause soil movements which again can damage the foundations of Harvard Court.</p> <p>(3) The additional building will overshadow the windows of the ground and first floor flats.</p> <p>(4) The construction work, additional building and subsequently inhabitants will also contribute to an increase in noise levels.</p> <p>(5) There is no parking for additional cars included.</p> <p>(6) The demolition and construction work and subsequently additional building may have effects on animals, plants and habitats in this area.</p> <p>(7) The building will change the identity of the area as the existing buildings are mainly older buildings.</p>
