Redundant UPVC exhaust pipe to be removed

Buttresses removed and slabs extended.

Redundant UPVC exhaust pipe to be removed

White metal gate and fence to be remove

Ramp to be remove

Part of back garden brick wall to be carefully dismantled to allow for new annex foundation. Wall to be rebuilt in same brick bond as existing using existing brick and lime mortar. Where brickwork is broken suitable reclaimed replacement bricks will be used matching the colour, age and size as the existing.
Form 1no. openings in existing garden wall to connect to annex with back garden

Demolition Key

- Hatch denotes existing building
- Dashed red line denotes demolition
- Hatch denotes structure deemed historical / original to be demolished & formation of new openings

Stripout:
Where strip out occurs, all areas to be made good to match existing retained using like-for-like traditional materials. Remove all redundant modern services and modern pipework. All walls to be repaired using traditional lath and plaster and painted.

All existing non-historic floor coverings are to be removed to make way for new floor coverings. Careful raising of the floorboards, documenting the location and type of fixing of each when removed. Ends not to be broken or cut. To be refixed in place using reclaimed or original iron nails, not screws of stainless steel nails. Note if boards are board end nailed when lifted.

Removal of MDF later panels to 4-panelled historic doors.

Subsidiary	Revision	Date	Comments
D3	P1	05/03/18	Issue for Information
D3	P2	17/05/18	Wording revised. Garden stair retained.
