Dear tree officers and planners,

[REDACTED]

2018/2080/T

No 8 did not get in touch with me.

I spoke to [REDACTED] at [REDACTED] twice on the 'phone, who has written to Gerry Oxford. I have read the 'related documents'. The root report does not mention the fig, (but adds 'and related species'). I support [REDACTED] in his hope that his fig tree can be retained.

Many thanks,
