6. Condition(s) - Removal

Please state why you wish the condition(s) to be removed or changed:

If you wish the existing condition to be changed, please state how you wish the condition to be varied:

Location 870_20A Bridge substructure prevents safe fixing of poles in previously suggested relocation; recent works to 22 Minster Road result in greater visual prominence to the adjacent pole. Propose to revert to originally proposed locations for both poles, to enable 'standard' fixing and minimise visual intrusion.

Location 870_30A Right of Way through supermarket site is problematic under Eruv rules. Propose to relocate existing parking poles, elongated at rear of footpath with existing signs refixed at standard height, thus allowing removal of the existing kerbside poles, reducing their visual prominence and avoiding the additional street furniture implicit in the approved proposal
