Dear Mr Sheehy

Thank you for your communication of today.

My representative will accommodate your request for such evidence by Friday 22 September. He has an extremely heavy workload.

Would you place on record also that the attachment of the caravan awning on wheels to the house is a temporary measure whilst the restoration work is being effected and it will be detached by the end of November.

In order to assist you further we will produce also the evidence of the history of the house structure.

Yours sincerely

Jita Lukka

Dear Jita Lukka,

Thank you for meeting my colleague and I on site yesterday.

Your representative stated that you have evidence to support your case that the works at the site comprise repairs and maintenance to an existing permanent structure.

I would invite you to submit copies of this evidence to me before Monday 18th of September so that it can be taken into consideration.

Regards,
