

Notes

- All existing structure shown on this drawing is based on partial record drawings. All details will need to be confirmed.
- Do not scale from this drawing. Work to figured dimensions only.
- This drawing is to be read in conjunction with:
 - General notes drawing 20BW-ACM-00-ZZ-DR-SE-00001
 - Design reports
 - Survey and Interpretative Reports
 - Project Specifications and Performance Specifications
 - Health and Safety Hazard Register
 - Relevant drawings and documentation issued by the architect, engineers and specialists.
 - Building Information Model (BIM)
 - Outline Construction Methodology
 - Movements and Tolerances Report
- All dimensions are in mm except levels which are in metres and relate to [ordance datum]. Existing slab thickness shown in inches as per record drawings.
- Any discrepancies shall be referred to the Designer before work commences.
- Existing services are to be identified prior to demolition works taking place and measures should be put in place to ensure that they are adequately protected throughout the course of the works. If it is not possible to adequately protect existing services during demolition then works must not be carried out and the desing team must be consulted.
- Listed building consent is required before any of these works take place.
