2018/2786/T	Karen Smith	19/06/2018 08:20:26	OBJ	I write to object to the felling of these trees on the grounds that they are quite striking and beautiful. Also on the grounds that this is a conservation area and the houses and trees are adjacent to Hampstead Heath - and all felling of trees should be considered carefully. These trees should only be felled if three more are planted to replace them.
