2018/2831/P	Richard Morgan	27/06/2018 17:51:45	OBJNOT	<p>The proposal is for change of use for 6 months, and throughout that period the applicant wants "to suspend 1 parking bay in front of the property for the celebrities' arrival." This is tantamount to obtaining a dedicated resident's bay for private convenience and use: it is not "for filming" as they are plainly not going to film every day all day through that period and there is no reason on earth why they cannot film several "arrivals" and "departures" on one day.</p> <p>In any event, this property is subject to a s106 agreement where the owner agreed that it would never be entitled to be granted a residents parking permit to park a vehicle in a residents parking bay - see Application Number PSX0205232. This application seeks to circumvent that agreement.</p>
