Samir

When I first saw the Camden yellow Planning notice, affixed to the small tree outside 43 Kingsgate Road, yesterday evening, I initially assumed that this was a new application and wondered why I had not been notified of this through the Camden Email Alert system. But to my surprise, I discovered that this notice refers to an application, which I had thought was no longer valid; given the date of submission and the Government's instructions that this type of application should be determined within eight weeks.

But I was even more surprised to find that this very recently erected notice, in a position I pass by several times a day, stated that comments should be received by the "6th June" !; as this seems to be an unfortunate repetition of the communication problems, which led to my complaints to the, then, case officer and to your Director (see copies att).

I trust that you will be able to supply an explanation for this current communication problem, which will not require me to make a complaint to the Local Government Ombudsman as to this repeated lack of 'consultation transparency', if not actual maladministration, within the Local Planning Authority.

But of more pressing importance, I require your urgent assurance that consultation responses will still be considered. I am, therefore, directing your attention to the detailed objection I submitted in respect of the previous application 2016/4318/P; which I posted, by 'signed for delivery' to Fiona Davies, on 9/2/2018 to serve as a 'holding objection' to this current application. Unfortunately, I cannot copy this directly to you at present, as I am awaiting a replacement battery 'to reboot' my older computer on which this document is stored.

Yours

Michael Maguire

Dear Michael

I can confirm that your response has been received in full and logged against the relevant application.

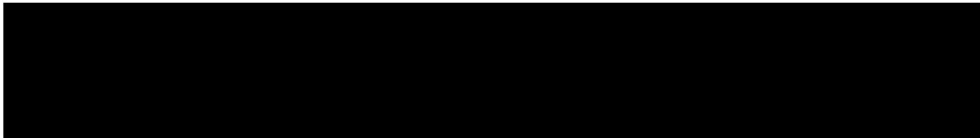

Kind regards

From 1 October 2016 you will not receive a letter from us if your neighbour submits a planning application. You can still find out about planning applications:

- on new improved posters on lamp posts
- by signing up to planning e-alerts
- in the planning section of the [Camden Account](#)
- through adverts in the Camden New Journal and Ham & High

You can [sign up](#) to our new and improved planning e-alerts to let you know about new planning applications, decisions and appeals.

Copies of documents in the post.

Please confirm receipt a.s.p.

Michael Maguire
