Subject: Objections to Planning Application 2018/2292/P for 52a Dynham Rd

Dear Mr Hope,

We live in 48 Dynham Rd and would like to make an objection to the application as is currently submitted for the extension at 52a Dynham Rd. We are supportive of the application but we object that the height of the proposed rear extension does not align with 54 Dynham Rd, as you would expect because of the historical precedent whereby the extension would follow the natural stepping down of the built environment on our street. Our property rear extension aligns with our neighbours at 50 but not at 46, and this is reflected along the pairs of houses all along our street. As such, the proposed extension should align with the height at 54 not 50.

Other than that we support their application.

Best wishes
Adolfo
