Dear Samir

I would like to support the objection sent by KTRA against this application. Please accept this as my objection as ward councillor.

I am particularly concerned about the loss of A1 retail in Kentish Town over a period of a number of years and the negative impact this has had on the vibrancy and variance of the streetscape. Yet another A3 premises at this location would saturate the area and dilute viability of established businesses already there who are already on the brink of survival.

Kind regards  
Meric
