Dear Sir / Madam

**Lincoln House, 296-302 High Holborn, London WC1V 7JH**  
**Application for Planning Permission and relevant demolition of an unlisted building in a conservation area, under the Town and Country Planning Act 1990 (as amended)**

We write on behalf of the Applicant, Maizelands Limited & Arringford Limited, to submit an application for planning permission and relevant demolition of an unlisted building in a conservation area in relation to Lincoln House, 296-302 High Holborn, London WC1V 7JH (the 'Site').

### **The Site**

Lincoln House ('the Site') is located in the London Borough of Camden (LBC). The building on the Site fronts onto High Holborn (A40) a major central London east / west route running between Holborn Circus to the east and St Giles and Tottenham Court Road to the west. The Site is on the south side of the street, which is its principal frontage, and lies close to the junction with chancery Lane.

The Site is a mixed use building providing approximately 5,660sqm GEA of office and shop-type accommodation over the lower ground, ground and eight upper floors plus plant. There are two shop-type units at ground floor, currently occupied by a bank (Use Class A2) and a café (Use Class A1).

### **Proposed Development**

The Proposed Development has been subject to extensive pre-application consultation with LBI Officers, statutory consultees, local stakeholders and residents.

Accordingly, the proposed description of development is for the following:

**Partial demolition of Lincoln House and erection of extensions at rear, flank and roof level and rooftop plant. Change of use of ground floor Use Classes from A1, A2 and B1a uses to provide 2 x A1 units and the remainder in B1a Use. Associated external alterations to the elevations. Provision of appropriate cycle parking, waste/recycling storage and other services.**

Comprehensive details of specific design amendments are outlined with the Design and Access Statement submitted with this application.
