Auden Place Nursery 1 Auden Place NW1 8NA 2018/6142/P

No objection. We are concerned by the cumulative clutter round this building, and request that the Nursery be asked to develop a strategy for using their building which addresses the problems of their use of space round the building for bins and storage, all of which is visually harmful to the area, and some of which is unstable. Children need to learn to look after our environment as a responsibility for us all. We are happy to discuss the issues with the Nursery.
