

Visited Highgate as requested. There are awnings on those high street shops shown yellow (No yellow, no awning.) Below are 2 or 3 photographs of each, titled by their address and what they trade as, for example **88 Gails**, and **88 Gails 2**, (88 Highgate High street, Gails Bakery anda second photo). There is a spreadsheet with this diagram and about 39 photos. There is an awning on the return frontage of Angel Pub, not on street side
