

Application No:	Consultees Name:	Received:	Comment:	Response:
2018/3013/T	Dr J M Slater	05/07/2018 09:53:12	INT	I would support this application as the tree is now in a dangerous state with recent further movement of the trunk.. Collapse is likely to cause significant damage to my property and that of my neighbour who has submitted the application after consultation with a tree surgeon
