Subject: Proposed development at rear of 16 Frognal Gardens facing onto Holly Walk: Objection

Dear Kristina,

That was good to talk with you about the above plans.

I want to re-iterate my distress and concern regarding this planned development. I was not, and nor were any of us in this building 12 Frognal Gardens, aware of any proposed development plans regarding no 16 Frognal Gardens. We had no idea of this and ought to have been informed because of our proximity. All of our back gardens in Frognal Gardens are composed of greenery leading downwards to Church Row.

My bedroom [REDACTED] has very large, high windows (part of a bay). The very large side window overlooking and in close proximity to the rear garden of 16 Frognal Gardens, is my particular delight and joy. I bought this flat because of that, as my privacy is paramount and the view and the light equally so. The proposed development will be a huge invasion of my privacy as it directly overlooks this large window in my [REDACTED]. It will also take away my precious view of the sky as well as obstructing some of the light coming into that side window. I am therefore objecting most strongly to this proposed development. It will be a gross invasion of all the above factors and particularly as this is a most treasured, wonderful peaceful part of our conservation area. And means the world to me.

I look forward to hearing from you.

With best wishes,

Ruth Rosen.

I look forward to hearing from you.
