Dear John,

I hope you are well.

I am a resident of Cresta House (next door to Mia) and am writing to express my objection to their planning application for installation of lighting. I am objecting on the following grounds:

- light pollution, especially to residents living in the vicinity of Mia (i.e. Cresta House, Centre Heights and Mountview lodge)
- potential road hazard, impacting drivers' vision, especially northbound traffic coming through Finchley Road
- such proposed lighting work is unnecessary and does not blend into the local environment in Swiss Cottage

I very much hope you will take into account of the potential nuisance such lighting will bring to this location.

Kind regards,

Felix Ko
