Soft landscape supporting info

The Council has considered your application and decided to grant permission.

Informative(s):

1 Reasons for granting approval-

The submission indicates the hard and soft landscaping approach in detail, in particular proposed planting, the materials and the extent of earthworks. The details achieve a high quality of landscaping which contributes to the visual

amenity and character of the area.

The full impact of the proposed development has already been assessed.

As such, the proposed development is in general accordance with policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policies DP24 and D25 of the London Borough of Camden Local Development Framework Development Policies; and the National Planning Policy Framework 2012.

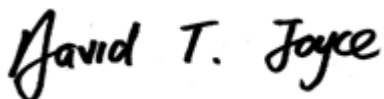

- 2 You are reminded that conditions 5 (bird and bat boxes details), 6 (landscape and habitat plan), 7 (planter/climber details), 12 (archaeological investigation details), 13 (sustainable drainage system details), 14 (evidence of installation of sustainable drainage system details), 15 (cycle storage details) of planning permission 2015/4408/P granted on 01/06/2016 are outstanding and require details to be submitted and approved.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.
