2018/1905/P	Lior Eisenberg	10/07/2018 11:11:07	COMMENT	<p>As a flat owner in the building I object this planning due to the following -</p> <ol style="list-style-type: none"><li>1. Loss of privacy and joy of the property - Proposed design allows access to an outbuilding roof which will allow significant increase of direct sight into my flat</li><li>2. Impact of noise - an outdoors swimming pool will significantly increase the noise and our joy from our own property</li><li>3. impact of new uses which will cause the points highlighted above</li></ol>
2018/1905/P	Colin Williamson Director Clarecourt Limited [REDACTED]	10/07/2018 15:27:18	INT	<p>We object to the change in our outlook from the lawned garden with a period Victorian rear wall to a new elevation that will lose our privacy as the raised room will have a view into our reception, kitchen and bedroom. It also will destroy the ambience of the area. At the present time there is virtually 100% privacy as there are not any properties looking into our property from the rear of the garden. It will be a total transformation to the current aspect.</p>
