2018/2996/P	FLEA KEEBLE	18/07/2018 11:20:23	OBJ	<p>Does Agar Grove really need another phone kiosk which are known to attract antisocial behaviours such as sex workers and drug dealers? Not to mention use as a urinal and worse. These are acknowledged problems in this area, so why encourage it?</p> <p>Additionally, there is enough street clutter as it is without creating more on the street. The suggested siting would cause a pinch point on Agar Grove which already has problems particularly with bins not being properly (re) placed and Camden's lack of enforcement. It is a nightmare for those who have sight issues, mothers with prams, old and disabled users. Streets are for people to use and should be designated as such. This relocation is a pointless and unwanted proposal. Please do not allow it to go ahead. Come on Camden, here's your opportunity to IMPROVE our area, not allow it to degrade further.</p>
