

Design & Access Statement

Made.com

100 Charing Cross Road

London WC2H 0JG

Concept

Made are looking to create a Café for their showroom at the rear of the property. The Café area is approx. 134 msq with a serving counter and soft seating. The area had previously been used as office space.

Access

In terms of access there are a number of existing fire exits in the building which will remain accessible and the new entrances will be disabled access doors at front and rear of the building.
