2018/2690/P	██████████	20/07/2018 23:34:34	OBJ	<p>I am very concerned about this development. The plans are not clear enough. My real concern is that it will reduce the enjoyment of the garden that I own, and the access to light in my property. ██████████ need more information about how it could affect my property before opposing the proposal.</p> <p>I am very concerned that yet again I have not been contacted by Camden Council about developments which directly affect my property. Please add my email address to all queries about planning applications in this area. I am currently working in Sweden and have been here since the end of June. I only found out about this application today, 20/7/18 because the landlord of the adjacent flat told me about it. I have had meetings and consultations with Camden prior to this about other developments, Please do keep me informed by email in future.</p> <p>Yours sincerely</p> <p>William Reiton</p>
