2018/2904/L	Covent Garden Community Association	22/07/2018 19:45:42	NOBJ	Whilst this is a listed building it was remodelled with restored facades in 1985 so has few original if any original features. The proposed new windows are a direct copy of the originals as installed in 1985 so the CGCA does not feel that this will cause any harm to the listed building and has no objection to this application.
