2018/3043/P		24/07/2018 10:37:14	COMMENT	<p>I represent The Cavendish School which is located adjacent to 33 Inverness Street. I would like to view the drawings of the proposed roof extension with dormer windows to front and rear but am unable to do so as there are "no publicly available documents for this application".</p> <p>I understand the property is located in a Conservation Area which means that roof extensions are not included in permitted development.</p> <p>As I am unable to see any drawings, I am unable to comment on the application which makes a farce of the consultation process.</p> <p>I urge Camden to extend the planning consultation deadline beyond 12.08.18 in order to obtain and upload drawings on to the planning portal.</p>
