2018/2824/P		24/07/2018 20:35:53	OBJ	I was shocked to hear of the application to replace the laundrette by a shop. I am fortunate in being slightly closer to the England's Lane Laundrette but I do use the Belsize Village one when the service wash is not available in England's Lane. There are a lot of flat dwellers, students, elderly, health workers etc in the area who do not have access to a washing machine. I believe laundrettes also serve a social purpose in the community. It's true that when I've been in the week the place is sometimes empty - unlike the laundrette in England's Lane - but I gather from other comments it can get very busy evenings/weekends. I would be very sorry to see this village amenity disappear.

The laundrette is a vital local facility which I have used many times myself. There are enough retail spaces in the Village already. Sadly we lost our pub some years ago, please keep our laundrette and keep the village a living place for local residents
