Product(s): Pests: Rats (PESTS), 7 - Perimeter Bait Stations (plastics) Sold (PMB)

Preps Used For Visit:

Description	Quantity
Bromatrol Rat Block (Global)	14 Unit
Metal Bait Safe (EXCLUDING Fitting) (Global)	8 Unit

Treatment Notes:

A initial routine has been attended today, to set up rat programme. I have installed 8 external rat boxes at the front garden of the premises and 2 inside the property on ground floor. Along with internal bait station in kitchen to help control and monitor future activity that may become evident. Rentokil prep remain in strategic locations, we will continue with regular visits.
