Subject: Has Planning Permission been granted for 51, Pratt Street ,NW1 to go up an extra floor?
To: [REDACTED]

Dear Thomas,
The first I knew that they were planning to put up a whole new extra floor on 51, Pratt Street was when the scaffolding went up on Saturday 7th July 2018.
As soon as I could after the scaffolding went up I knocked on the door on Monday 9th July to be told by a Sarah Cohen [REDACTED] that they had Planning Permission.

[REDACTED] which [REDACTED] backs onto 51, Pratt Street. The building works over the summer will be very disruptive for me- I am a teacher and so this is my time off- Also I did not agree to the extra floor which will really affect my home Privacy.

Could you please advise what happens now as as it stands I want to object? That is unless the extra floor will be social housing.
[REDACTED]

Kind Regards,
Jennie Lazenby
