- 2 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You are advised to consult the Council's Noise and Licensing Enforcement Team, Camden Town Hall, Judd St, Kings Cross, London NW1 2QS (Tel. No. 020 7974 4444 or search for 'environmental health' on the Camden website or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out construction other than within the hours stated above.
- 3 Reason for granting listed building consent:

27 Mornington Terrace forms part of a terrace of 27 Grade II listed yellow stock brick houses dating from the mid-19th Century and situated in the Camden Town Conservation Area. This Conservation Area can be divided into two sub-areas of distinctly different character, a busy commercial and retail area, and, a quieter more formal residential area.

The application seeks to demolish and rebuild a defective rear garden wall dividing the rear gardens of the properties either side of No.27 Mornington Terrace. It follows approved application refs 2014/7527/L and 2015/0461/P.

The new wall will be rebuilt from brickwork salvaged from the demolition of the existing wall; where new brickwork is required it will be made up of stock bricks to match laid in a Flemish bond in mortar mix to match the existing wall.

The works are considered to be sympathetic to the special architectural and

historic interest of the listed building and curtilage. The wall is not readily visible from the street or from the wider public realm and the works would not be harmful to the character or appearance of the host building, street scene or the Camden Town Conservation Area.

The proposed works will not harm the special interest of the curtilage structure or the setting of the grade-II-listed terrace

The application has been advertised in the press and by means of a site notice, whereby there were no consultation responses. Camden Town CAAC was consulted but did not respond. The site's planning history has been taken into account in making this decision.

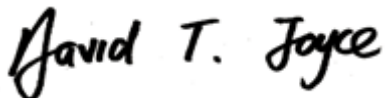

Special attention has been paid to the desirability of preserving the special interest of the listed building, under s.16 of the Listed Buildings and Conservation Areas Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013

As such, the proposal is in general accordance with policy D2 of the Camden Local Plan 2017. The proposed development also accords with the London Plan 2016 and the NPPF.
