<b>Consultations:</b>						
<b>Summary of representations</b>  <i>(Officer response(s) in italics)</i>	An objection was received from the occupier of the neighbouring property 41 Rosslyn Hill. They objected to the type, number and location of the trees as they were concerned that the trees would block light to their property.  <b>Officer response</b>  <i>1. A revised tree plan was submitted with only a single tree in the front north west corner of the property (rather than 5 trees along the boundary with 41 Rosslyn Hill). The proposed revision is considered to respond to the issues raised.</i>					

**Recommendation:- Grant planning permission**
