2018/1209/P	Amelie	01/08/2018 14:27:58	OBJCOMPA P	Good afternoon,  I d like to comment the planning application for Good Mixer. I am resident of Inverness street: the residential part. Since the Good Mixer new owner arrived unfortunately night life with Good Mixer has been hell for residents. No care is taken by the new owner to respect the residents at night. I believe the Council has to be extremelly careful in the application with no possible extension of the pub in any commercial use of the possible new extension building. Also I strongly would like the planning to remind the actual owner of his duty of respect of the residents. The noise is absolutely massive outside the pub with no care to respect the residents. I know it 's a pub but it's also a residential area and there is no way this pub should be transformed to an open air rave with very loud concerts and shouting drunk people all over the place with no respect of the surroundings. We strongly encourage the Council to really impose a restriction of use if the planning were to be granted and also to remind the actual owner that he should respect the neighbourood particularly at late hours. The security doorman doesn 't even seem to be present at all so we urge the planning Council to respect residents and remind the owner of his duty of care and respect of residents.Kind regards
