2017/5600P	INGRID WEISS	01/08/2018 17:45:19	OBJNOT	I am strongly objecting to this proposal as it directly effects my property [REDACTED]. The wall of no 1 Evangelist is actually the boundary [REDACTED] and the proposed two windows would [REDACTED] overlook my garden and are very close to the side of my own house. None of the submitted plans show this proximity and how intrusive this is. It would be merely inches from where I work in my back yard! In addition, extra noise from not one but two windows so close to me is also of great concern. It would also prevent my extending my property to the edge of my boundary should I wish to do so in the future.
