2018/3205/P	Francoise Findlay Chair Elsworthy Residents Association Member of BCAAC	01/08/2018 21:17:59	OBJ	<p>This application seeks to extend an extension that was finally granted in 1998 following three years of applications, revisions, withdrawn plans etc. The size and accommodation of the original house has already been substantially enlarged. In addition permission was granted in 2007 for a garden pavilion that provides further living space.</p> <p>The introduction of two rooflights over the dining room will be the source of light pollution for the flats above and possibly neighbours.</p> <p>The proposed addition is visible, like the rest of the house, during winter months at least, from Primrose Hill.</p>
